IACOPO VANNINI CHEF PATRON • *Restaurant Villa Garzoni, Collodi Italy*

The restaurant Villa Garzoni can be found in Collodi, the province of Pistoia revealing a perfect blend between the Tuscan traditional flavours and the innovation of contemporary cuisine, in a picturesque location. “There are moments in life when you meet someone for the first time and you feel you already know them. When I saw Steelite for the first time I was speechless, I knew I had found what I was looking for. I will continue to use Steelite for the rest of my professional life.”

MASSIMILIANO MASCIA HEAD CHEF • *Ristorante San Domenico, Italy*

Opened in Imola in 1970, San Domenico had earned its first Michelin Star in 1975, shortly followed by its second in 1977. Right from its beginnings in the 1970s, the San Domenico took a whole new approach to the restaurant business which had, until then, simply been seen as an alternative to the domestic model. “At the Ristorante San Domenico of Imola, the kitchen has close ties to the land, it is a place where we seek out the best ingredients, grown under the best conditions; it is a place of constant evolution, where new techniques are at the service of tradition.” “As I see it, respect for ingredients and their seasonal freshness is essential as it lays the foundations for further research and innovation of preparation techniques”.

SEBASTIÁN ABAD CHEF/MANAGER • *La Vaquería, Alicante Spain*

A Mediterranean Grill, where you can taste excellent meat, the best vegetables in the area and the freshest seafood and fish from the fish markets of Santa Pola and Denia. Sebastián Abad has been at the forefront of this grill since 2008. Using products from his small garden, his cuisine is evolving to make innovative new dishes.

Craft is inspired by hand-crafted, simple country wares made by generations of potters over hundreds of years. The range embodies the beauty of rich, lustrous glazes applied by hand, and celebrates chance effects and reactions which occur naturally in the kiln. The gem-like glazes married to simple forms and shapes produce a unique and individual appearance, giving Craft a rustic "joie de vivre".

When Craft was introduced into the Hospitality markets around the world ten years ago, the Craft range was the first to define what the look and feel of the ultimate Artisan inspired range should be.

profiles in elegance

Essence is a new shape in porcelain designed by Rene Ozorio. The collection of rimmed presentation and banquet plates, coupes, trays, and bowls provide a clean, modern look for tabletops and food presentation.

For Rene Ozorio, Essence signifies “the return to the pure nature of white porcelain in a shape whose sculptural simplicity speaks of modernity.” The thin, elegant profile provides a light & contemporary product that is durable and ideal for hotels & restaurants.

“in praise of shadows” ~Jun’ichiro Tanizaki

Atelier: the name evokes the hand of craftsmen and the tradition of artisanal fabrication. The realisation of this fluid optical design was through the collaboration with artisans, who hand carved the models for each piece. The calculation of the embossment and the glazing produces an effect of ebbing water in the tide pools. Designed with fine dining in mind, the lightness in weight and porcelain colour speak of quality and craftsmanship.

“Atelier is inspired by nature, light and shadows. I was reminded of the days by the sea, watching the changes in the sand & pools of water brought by the ebb & flow of the tides. The element of water in motion.” - Rene Ozorio

handmade & organic appeal

Forager by Robert Gordon is designed with a carefully applied reactive glaze that free-flows over each shape to create a unique finish that is different on every piece. Featuring an unglazed bottom, this collection highlights the richness of raw materials through exposed stoneware and offers a handmade & organic appeal. From the creator himself, Robert "Andy" Gordon, he compares the signature tray design to "tree bark once used to gather things such as forage seeds, berries, and roots from the forest", hence its namesake, Forager. Unlike any other, these enduring & functional shapes are finished with a stamp of Andy's handwritten signature and will enhance any foodservice presentation.

tastefully organic stoneware

Reminiscent of the dramatic landscapes and natural beauty of the Azores Islands of Portugal, the Folio Azores collection is comprised of tastefully organic stoneware. With graceful yet irregular shaped edges, Azores emulates the look of authentic, hand-thrown stoneware, designed specifically for casual dining and small bites. The reactive hand-applied glaze colours, are aptly named and inspired by the harmonious scenery of their namesake islands.

ROBERT WELCH

Founded in 1955 by Robert Welch, Robert Welch Designs is a family run business based at Chipping Campden in the Cotswolds. Originally Robert Welch set up as a designer for industry from his workshop in Chipping Campden and from his base opened a shop to sell his own designs. Over the last fifteen years his family - Rupert Welch and Alice Welch (Directors) have expanded the business to supply hospitality customers with a multi award-winning collection of internationally renowned cutlery and tabletop items.

Robert Welch®

Baguette is a classic shape that is versatile to both casual and fine dining. Comfort in the hand is a Robert Welch signature and the pebble smooth finish is soft to the grip. The thickness of the handle tapers towards the tip, keeping the weight centrally balanced.

Inspired by the traditional silversmith technique of planishing, the Honeybourne collection makes a tactile and light reflecting statement on the table. Featuring classic proportions of long tines and a traditional heel, the deliberately thin neck exaggerates the wide curves of the subtly textured handle. The feel in the hand is well-considered as the texture fades to smooth at the neck of each piece.
