### Kelly Weartsler

Kelly Weartsler, founder and principal of Kelly Weartsler Design Studio, is an American designer creating multi-faceted, experiential residential, hospitality, commercial and retail environments as well as expansive collections of lifestyle product designs and brand collaborations.

Weartsler is internationally recognized with distinctive design awards by numerous publications – including Architectural Digest's AD 100; Elle Décor's The A-List; Wallpaper Magazine's Top 20 Designers and Time Magazine's The Design 100. A multi-layered, stimulating sensory experience is at the center of Weartsler's design approach. Through an exploration of materiality, color, forms and an intuitive juxtaposition of contemporary and vintage, architectural and organic, graphic and instinctual, she curates a wealth of experiences into every space. Weartsler believes that honoring history, while also experimenting with futuristic technology, is imperative to pushing the boundaries and challenging the rules. One of the key forces behind the rise of the designer hotel in the early 2000s,

Weartsler is currently designing for a new age of elevated residential hotel living with a distinctive vision of authentic cultural immersion and site-specific design. Weartsler received her academic training in interior, architectural and graphic design and is the author of six design books.

## ZUMA — TABLEWARE

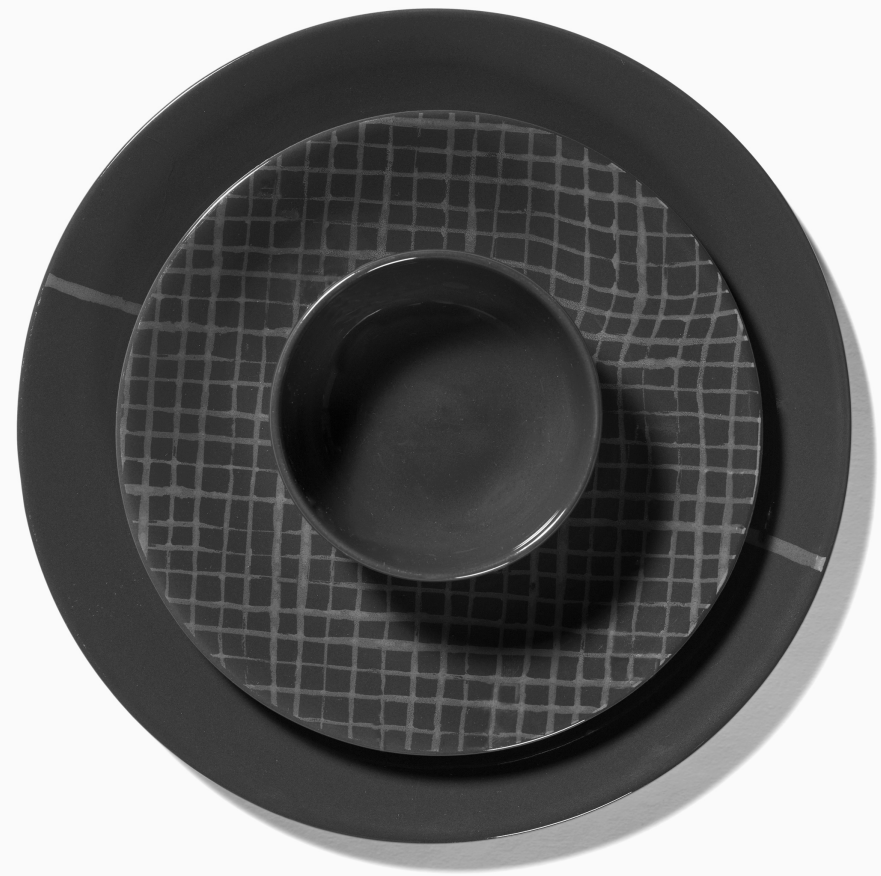

Rich, dimensional patterns and unexpected color pairings are signatures to the Kelly Wearstler design vernacular. In keeping with her studio's current explorations, Wearstler engages futuristic 3D vector grids and ancient glassware motifs within the *Zuma* family.

For the porcelain dinnerware, Wearstler stripped down a digital graphic pattern to convey a hand painted feel, creating the perfect balance between tech and hand-craft. The patterns vary throughout the range and are intended to be mixed and matched across colors and shapes - in classic Wearstler fashion.

To complement the contemporary references of the porcelain, Wearstler developed stemware that draws upon amber tones found in ancient glass from across the globe. Taking a rectilinear shape, the light and airy color application juxtaposes the unusually thick and straight nature of its form - creating an unexpected harmony with the graphic patterned dishes.

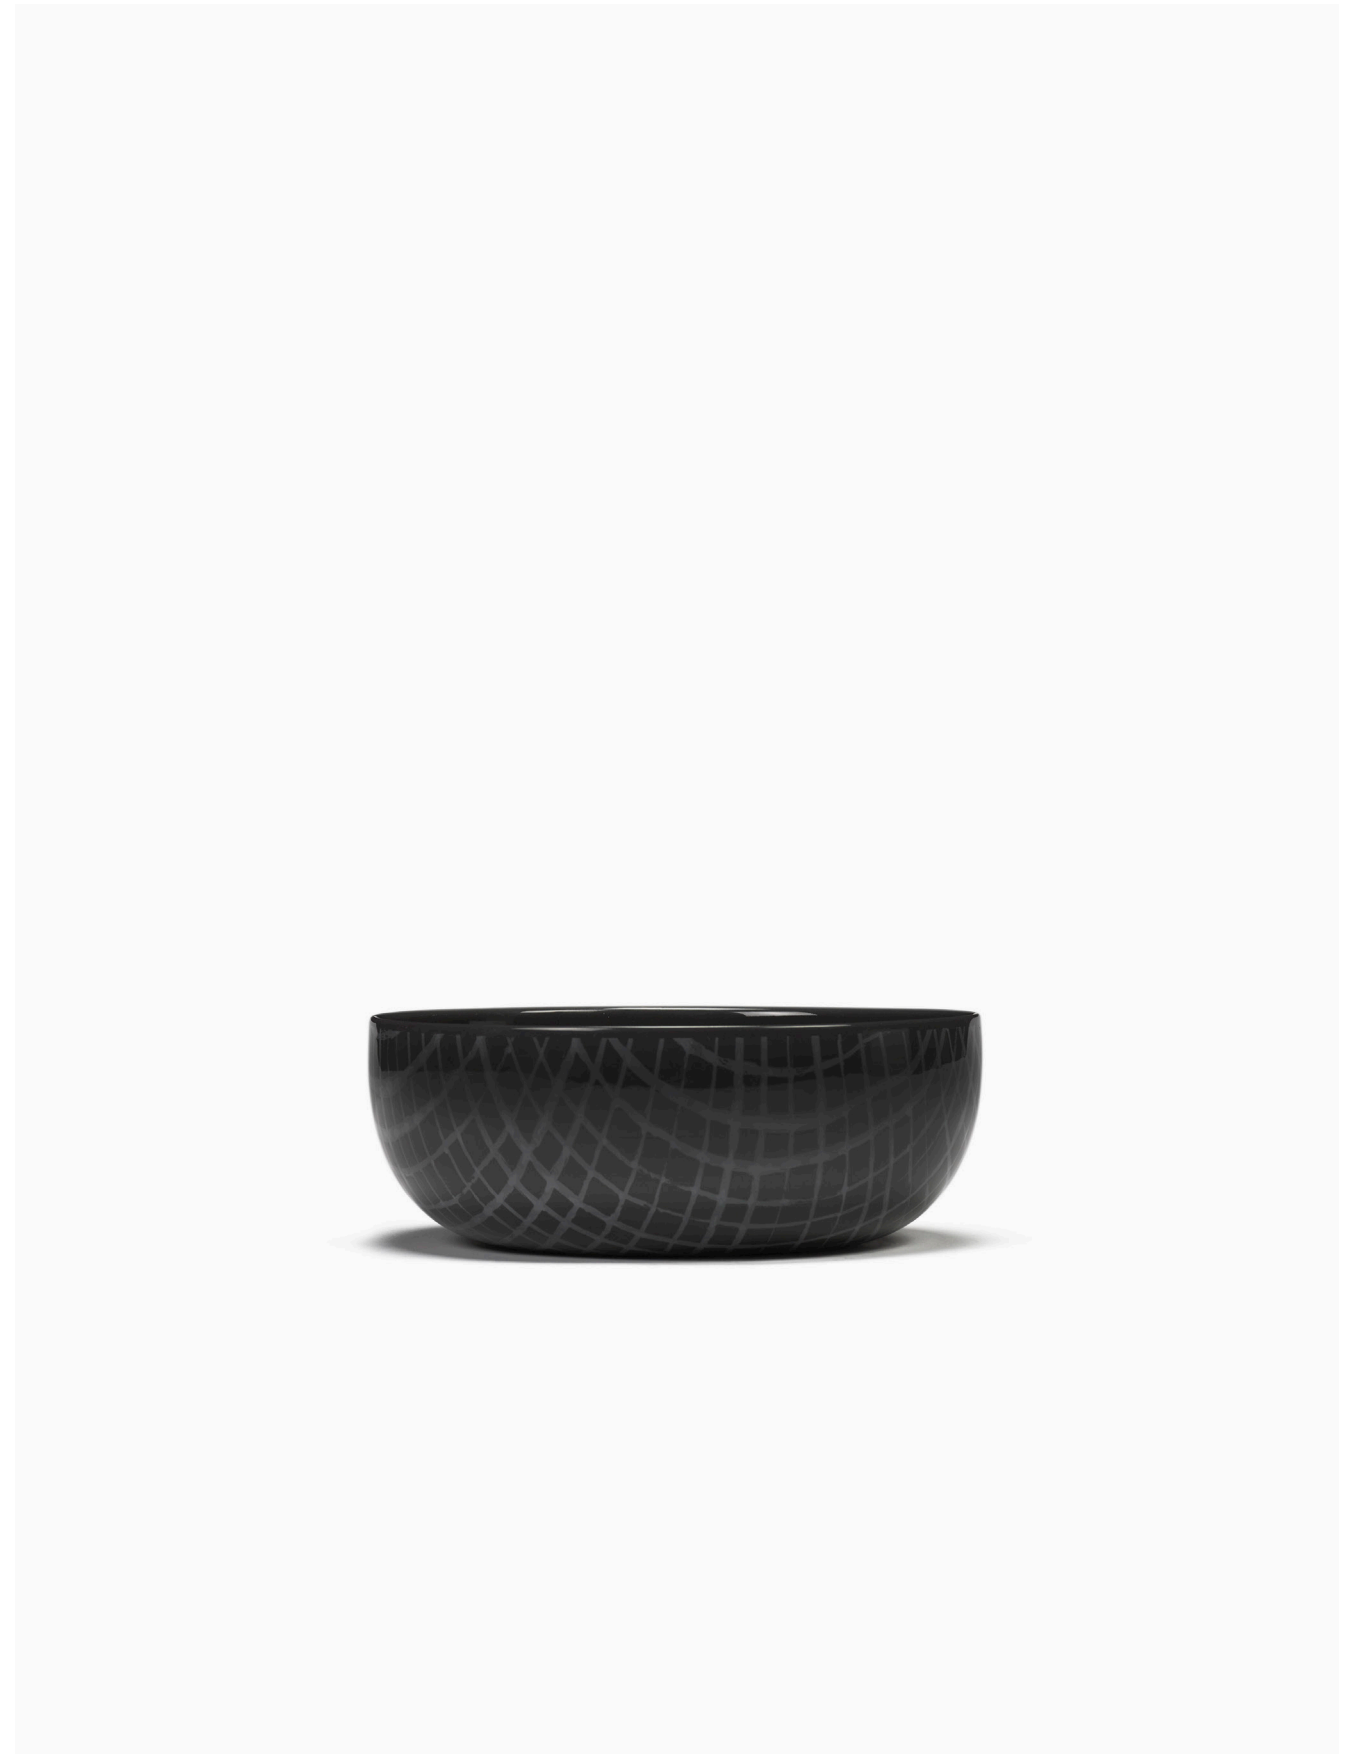

ZUMA — GLASSWARE

Elevating modern glassware to sculptural forms, *Zuma* glassware is timeless with simple geometries in playful proportions enriched by a deep amber color gradient.

Kelly Wearstler	DUNE
TABLEWARE & KITCHENWARE	

## DUNE — TABLEWARE

In a refined nod to ancient pottery, the Dune family's two-tone finishes of matte and high gloss ceramics enhance the sculptural crests and ridges that variegate the dishes and platters. Taking an unexpected turn, the corrugated motif is repeated across glassware and flatware in differing forms to yield diverse yet holistic place settings.

As is crucial to Wearstler's broader practice, mixed materiality is central here. To further elevate the dining experience, she has developed marble servingware to anchor the tablescape with shapes evocative of the same age-old Grecian techniques that are evident in the ceramics.

Staying true to her consistent references to the natural world while leveling the overall tone, Wearstler incorporates relaxed, organic wood serving pieces to the *Dune* range, rounding out the elemental family of ceramic, stone, glass and metal tableware.

DUNE — WOODEN SERVEWARE

Highlighting the unique qualities intrinsic to Ash and Blackened Wood, these wooden accessories are organic in shape, playful in nature, and functional for entertaining.

DUNE — TABLE & KITCHEN ACCESSORIES

*Dune* illustrates the reverberating vibrations of drifting sands with its intricate veining detail and earthy color palette. An extension of the *Dune* ceramics, this collection of understated bowls and vessels lends a sense of movement to any dining setting.

## DUNE — CUTLERY

The essence of flatware is discovered in its expressive offset detail and elegant splitting effect running the length of the stem. Available in two finishes, stainless steel and blackened steel, this collection is ideal for everyday use or in a formal dining setting.

## DUNE — KNIVES

Underlining the natural grain of Ash and Walnut, the Wooden Knife collection is a perfectly balanced knife set that brings scale and texture to any table setting with its contrasting material combination.

DUNE — GLASSWARE

Dune glassware celebrates simplicity in shape with its softly dynamic, yet classic silhouette enhanced by subtle ridge detailing.

## **KELLY WEARSTLER    ZUMA & DUNE**

For the first time, Kelly Wearstler takes on dinnerware with a unique eye for finding harmony in dissonance. In her first ever tableware collection, she prioritizes ideologies central to her practice. Wearstler explores abstract motifs and unexpected implementations of materials across two families of dinnerware: *Zuma* and *Dune*. Comprising a conversation between past and present, *Zuma* alludes to modern and historic technology, while *Dune* marries the materiality and forms of the natural world.
